OPTIONS

Full mounting kit
Load repartition calculation (on request)
Rearview mirrors
Rotating beacon
Road lights
Working lights and reversing light
Load backrest

BOOM

Enables you to offload your lorry with the best visibility ever.

NEW FNR JOYSTICK

This new « boom control » joystick now integrates the « reversing shift » function : the driver can keep one hand on the steering wheel and one hand on this joystick to operate any movement. Time saving and much better driving position.

STABILISERS

The 2 front stabilisers of the TMT 2020 S give more lifting capacity, especially when the boom is fully extended at maximum reach.
